Blood Orange BREEZE

MAKES APPROXIMATELY 12 ½ COCKTAILS

SHOPPING LIST

1 bottle Belle Isle
Blood Orange

6 oz
lemon juice

50 oz
cranberry juice

1
lemon, sliced

1-2
scoops of ice

INSTRUCTIONS

- Combine Belle Isle, lemon juice, cranberry juice, sliced lemons, and ice in a drink dispenser
- To serve, fill a glass $\frac{3}{4}$ way with ice, then top halfway with drink from the dispenser.

Notes:

Cut lemons into wheels for an attractive garnish.

For every 1 bottle of Belle Isle + mixers, you can make approximately 12 ½ cocktails.

For every 1 bottle of Belle Isle + mixers, you will need at least 2.5 liters (or $\frac{2}{3}$ gallon) worth of space in a drink dispenser.
