# Cold Brew & TONIC

MAKES APPROXIMATELY 12 ½ COCKTAILS

## SHOPPING LIST

1 bottle Belle Isle  
Cold Brew Coffee

1  
orange

50 oz  
tonic water

1-2  
scoops of ice

## INSTRUCTIONS

- Combine and stir the Belle Isle, orange wheels, and ice in a drink dispenser.
- To serve, fill a glass  $\frac{3}{4}$  way with ice, then top with drink from the dispenser. Top the rest with tonic water.

### Notes:

Cut orange into wheels for an attractive garnish.

For every 1 bottle of Belle Isle + mixers, you can make approximately 12 ½ cocktails.

For every 1 bottle of Belle Isle + mixers, you will need at least 1 liter (or  $\frac{1}{4}$  gallon) worth of space in a drink dispenser.
